please add a flag spam button

Posted by mrheretic - 2008/12/24 17:14

There are a significant amount of spam posts on the forums. I think a mark as spam/inappropriate feature would be useful.

This shouldn't be a problem moving forward, we will now have someone checking the forum on a daily basis

Many thanks

---

hiiiiiiii.....
is this really work to mark flag to spams???
means few people don't even care to do this...
but yes if we really start doing it... it is going work...

_____=)
