
Flag Industry market research

Posted by Saskia Lijnzaad - 2010/11/30 10:07

I'm looking for secondary data re the UK flag market: market size, market split and share by flag type, trends, drivers. I've tried the obvious sources (ONS, Eurostat, trade association) but so far have only found a limited amount of information. Would welcome any suggestions for alternative sources. Thanks.
