
Sole Trader/Director? IT/HR/Finance Director/Mgr?

Posted by ReportMyData - 2011/08/17 19:52

We need your help with market research...

During the development of our new data system we have been listening to the opinions of our current clients, we would like to expand this research to anyone who wishes to contribute.

The questionnaire is aimed at company directors/managers, finance directors/managers, IT directors/managers, sole-traders, self-employed/consultants or employees who have information about your company's data processes.
