
Host Venue - how do I become one!

Posted by Paula - 2008/01/15 17:20

Hi All, after attending several market research sessions, how do I go about becoming a host venue (in my own home) for group market research sessions to be held? I live in Herts, thanks for your help!

Hi Paula,

I would suggest letting market research agencies having your details and also market research recruitment/fieldwork companies. Feel free to send through your details to our company: DJS Research Ltd.

All the best with it.

Danny
