Durban, South Africa, 3 August 2005
As part of Research Internationalâ€™s ongoing strategy to develop its network in Africa and provide clients with seamless research across the continent, it has appointed Analysis Indian Oceans as an Associate. This takes effect from 1st July 2005.
Analysis Indian Oceans has been Research Internationalâ€™s preferred supplier in this region for a number of years. It provides a full service offering from its offices in Port Louis, Mauritius, for all the Indian Islands including Comores, Seychelles, Madagascar and Reunion.?
