Education and Healthcare Research Sites Launched by DJS Research Ltd

DJS Research Ltd a leading UK market research consultancy, offering qualitative and quantitative market research services, today launched two new websites. The sites, which can be found at: Education Market Research and Healthcare Market Research are specifically aimed at highlighting their capabilities in each of the sectors.

The websites outline their specific services in the areas, industry experience, how they approach research within the education and healthcare sectors, further details about DJS Research and some interesting facts related to the area.

DJSÂ has extensive experience of conducting education and healthcare research for a range of companies. Their research has covered:Â Â

Healthcare Sector
Informing World Class Commissioning
Public Perceptions
Examining Views Of Specific Segments Of The Public
Informing Communications And (Social) Marketing
Behaviour (Change) Issues

Education Sector
Course feasibility market research
Market studies
Course naming market research
Academic research â€“ data collection
Course validation research
Research with Alumni
Satisfaction research

DJS offer a bespoke service with Research Directors managing and running projects from start to finish.

The consultancy is based in the North West of England and pride themselves on providing a quality service but at affordable and value for money rates. They are members of the Market Research Society, ESOMAR, AIMRI and BIG.
