DJS Research Ltd an independent North West market research agency has recently been involved in a large tender and procurement process for OFWAT. It rated the company on its finances, resources and ability to deliver high quality research projects.

DJS Research was pleased to hear that they were selected as one of the preferred suppliers for the research roster.

The company was chosen as a preferred OFWAT supplier for:

-Â General Market Research
-Â Specialist Market Research
-Â Market Research Advice
-Â Fieldwork & Data Capture
Â
In addition, in two of the above categories, DJS Research was ranked first compared with other approved suppliers. Companies on the roster will be called upon to conduct a wide range of market research and customer insight work.

As well as OFWAT, the framework can also be utilised by other Central Government Departments, their agencies and Non-Departmental Public Bodies (NDPBs).

Over the last year, this is the third Government procurement programme that DJS Research Ltd has successfully been selected for.Â Â
