Online marketing company, Submission Technology Ltd, today launched a new website giving away poker tutorial DVDs when consumers register with their sponsors.

The Poker Secrets DVDs feature tips and advice from one of the World's best poker players.

Submission Technology's, Marketing Director, Neil Durrant said, "It's a testimony to the popularity of online poker that we are able to provide such great value incentives to reward players for joining our sponsors."

The complete set of DVDs have a retail value of almost \$85. Free Poker Secrets DVD sponsors also cover the cost of shipping too - so this really is a great free offer for anyone interested in online poker.

Members of Free Poker Secrets DVD can collect up to four free DVDs. The first DVD is rewarded in exchange for completing a sponsored offer. A further three DVDs are awarded when members help to spread the word and introduce friends to the site.

The DVDs are being mailed internationally including the US, Canada and throughout Europe.

About Submission Technology Ltd

Submission Technology operates a number of online loyalty and reward sites, operating one of the UK's largest cash back websites as well as product give-away sites such as freeipoduk.co.uk.
