I do not usually write articles for the front page myself, but I have been approached by Jason Hulbert from Meningitis UK asking if we would advertise for four up coming events they have organised over the next few months to raise money for the Meningitis "Search For A Vaccine Campaign"

The events are to be held in four different venues in the UK: Glasgow, Dublin, Portsmouth and London.

Details for the events are as follows:

1) Meningitis UK Great Scottish Run.
Full support will be given and everyone who participates will receive a free running vest or T-shirt, and a handy information pack including hints and tips on how to prepare for the event in Glasgow.

Anyone who has already secured an independent place can choose to run for Meningitis UK and we would love for participants to become part of our Meningitis Musketeers team for the event on September 2.

2) Meningitis UK Great South Run.
Full support will be given and everyone who participates will receive a free running vest or T-shirt, and a handy information pack including hints and tips on how to prepare for the event in Portsmouth.

About Meningitis UK
Meningitis UK has a single focus - to find a vaccine to wipe out all forms of meningitis. Tragically, meningitis and meningococcal septicaemia continue to affect thousands of people in the UK every year and kill more children under five than any other infectious disease.

Our Search 4 A Vaccine Campaign aims to raise Â£7million to fund research into stamp out all forms of meningitis and associated diseases.

Everyone who runs for Meningitis UK will be part of the Meningitis Musketeers team, with the motto â€˜All 4 One and One 4 Allâ€™ â€“ to highlight the devastating fact that meningitis can kill in under four hours and the importance of our Search 4 A Vaccine Campaign.

If you would like to take part and help us achieve our vision, please contact Emma King on 0117 303 3345 or email emmaking@meningitisUK.org for a sponsorship pack.
