Rebecca Jones - New Head Of Business Development For Cobalt Sky

Contributed by Cobalt Sky
Thursday, 06 September 2012

Rebecca Jones has joined Cobalt Sky as Head of New Business Development in August 2012 after working in sales management in IT and Telecommunications.

Following a degree in English and Film at Bristol university, Rebecca spent 4 years working in new business development and is now responsible for Account Management and bringing in new business.

Constantly learning new products and technologies, Rebecca is already thriving in her new role at Cobalt-Sky.
