Market Research World now has a presence on LinkedIn. The Market Research World Group is a group for the free discussion of market research findings, insights, developments and jobs between market research professionals, students, and those interested in the research industry and employment in it from across the globe.

The group can be found here

http://www.linkedin.com/groups/Market-Research-World-Group-4518731/about

If you want to talk with industry leaders and professionals from across the spectrum of market research companies, join now and get involved in the discussion!

We look forward to your input!
