Wednesday, 18 December 2013

Surrey based software company MARSC announce a significant uplift in sales and contract wins. Following the launch of the all new â€œMARSC Communityâ€• offering MARSC have seen significant gains with revenues up over 20% on the previous 12 months. MARSC also won major new installations in the UK along with international gains in Australia, Israel, South Africa and the US.

MARSC has also welcomed some changes and growth to their team, In April Allan Shaw re-joined as Sales Manager and they have also recently greeted Peter Deacon as a Support Consultant. MARSC have also entered into exciting new partnerships with Cint, and for international distribution with Datab, Clusters and Interact RDT.
