Marketing Sciences Unlimited leads the way in insight industry for employee engagement
Marketing Sciences Unlimited have won a place in the Times 100 list, placing them the highest rated insight agency for employee engagement. The award recognises that Marketing Sciences Unlimited has achieved an â€œextraordinaryâ€• rating on the Best Companiesâ€™ index. Marketing Sciences Unlimited placed 54th out of over 1300 companies who applied â€“ a brilliant achievement for the agency.

Jane Rudling, Managing Director at Marketing Sciences Unlimited, said: â€œWe are delighted that our investment in our employees is reflected in this award. Ultimately, this award is for all of our employees as they help to make the environment as great as it is. We are proud to lead by example in the insight industryâ€•

Marketing Sciences Unlimited offers its employees a range of benefits, financial and non-financial, including a green environmental team, regular social events, opportunities to support local charities, regular sporting competitions, diverse global clients, comprehensive training and an excellent work/life balance.

Jane looks forward to another successful year. â€œLooking ahead, we are continuing to invest in innovative solutions to keep us at the forefront of the insight industry, for example ramping up our consumer neuroscience expertise. We look forward to another enjoyable year working with the worldâ€™s leading brands!â€•Â
