Marketing Sciences Unlimited, part of the Creston Unlimited group of companies, has announced the promotions of Becca Allen, Becky Hutchins, Becky McGee and Laura Spooner to the role of Research Manager. All have been recognised for their outstanding contribution to the businesses' continued strong growth this year by winning new business and delivering powerful insight to existing clients.

Jane Rudling, managing director at Marketing Sciences Unlimited, said: "Marketing Sciences had a great year in 2016 and all of the promotions recognise the part these individuals have played in helping achieve this. These promotions are all very well deserved."

In addition to these promotions, Marketing Sciences Unlimited has also promoted Sarah Bruce to Senior Research Executive, Simon Marlow to IT Manager and Christine Trotter to HR Manager.

In recognition of the strong growth seen by the company, Marketing Sciences Unlimited are currently recruiting for the following positions: Board Director, Associate Director, Research Manager, Senior Research Executive and Research Assistant.
