As part of an ongoing strategy to develop our network in Africa to provide clients with a seamless research offering across the Continent, Research International has appointed Logic Market Research in Egypt as an Associate effective 1 June 2006.

Research International opens office in Egypt

Johannesburg. As part of an ongoing strategy to develop our network in Africa to provide clients with a seamless research offering across the Continent, Research International has appointed Logic Market Research in Egypt as an Associate effective 1 June 2006.

According to Andrew Wish, CEO of Africa region for Research International, â€œWe take this opportunity to welcome the partners of Logic Market Research, Ehab Nada (Managing) and Karim El Hamawy, and we look forward to a long and prosperous relationshipâ€•.
